### Developing Academic Literacy and Language in the Content ...

Understanding academic language is an essential skill for school achievement. Yet, parents and teachers often overlook the distinctive characteristics and role of academic language and mistakenly equate adequate conversational language abilities with overall language proficiency (Cummins, 1984).

### Academic Language and Literacy Development | Scholastic

The term academic literacy may also be used interchangeably with academic language, although the two terms may be defined differently from place to place. When academic language is intentionally taught or monitored in schools, the term academic-language development, or ALD, may be used. While the term is most commonly applied to language-specific skills, competency in academic language also bleeds into a wide variety of related non-linguistic skills that are difficult or impossible to ...

### Academic Language Definition

The School of Writing, Literacy and Languages at CCBC offers a holistic approach to education, which broadens students' perspectives by exposing them to new ideas. This approach facilitates success and achievement through academic and critical literacies, language acquisition, and global awareness. Specifically, the department provides courses which develop critical thinking, reading, and language while promoting global awareness, intercultural competence, and diversity.

### School of Writing, Literacy and Languages

8 Strategies for Building Students' Academic Language 1. Encourage students to read diverse texts: Reading and then thinking and talking about different genres is a robust sequence for learning academic language. 2. Introduce summary frames: Summarizing is a simple and fail-safe approach to academic language activities. Students read a section of text to themselves before verbally summarizing the passage to a partner.

### 8 Strategies for Teaching Academic Language | Edutopia

There is not necessarily a correlation between the results of the test and matric results in language (or other) subjects. The test of academic literacy tests whether a student can cope with the language requirements of an academic situation. Language subjects at school have the sole objective of developing language proficiency.

### Academic Literacy | Languages | Humanities | NWU | North ...
