Audi owners may complain that the transmission is not shifting properly or is not very responsive when you press the gas pedal. In extreme cases, your Audi may even go into limp mode and no longer change gears. If your Audi automatic transmission has been having problems changing gears or never seems to not know which gear it should be in, you should try to reset the transmission setting to ...

Audi allroad - Is my 6 speed Allroad really unreplaceable? - Hi. I've had my 6 speed Allroad for about 7 years now. It's a 2003 that I bought used with only 32k miles in 2005. I got it for a steal, in my opinion, at \$25k. It's been an awesome car, but with 177k miles, I worry about the next few years and what expenses...

Audi has long since discontinued the manual transmission in its Allroad station wagon, but you can think of the all-new VW Golf Alltrack, complete with all-wheel drive and increased ground clearance, as a junior Allroad. The Alltrack is available now, but you'll have to wait a few more months before you can buy it with a manual transmission.
