is largely procedural easing in most areas but the big change is in defence where in some cases 100 percent FDI is now allowed. They have, however, steered clear of controversial sectors like media and retail, " Sukumar told The BRICS Post.

India raises FDI cap in 13 sectors | The BRICS Post

FDI in the BRICs: Changing the Investment Landscape¹⁵³ Considering the services sector specifically, which attracts approximately half of the foreign direct investment, most of it is directed towards financial intermediation, retail, electricity, gas and water.

FDI IN THE BRICS: CHANGING THE INVESTMENT LANDSCAPE

The application of FDI in BRICS countries is an important factor of the forming of further strong, steady and balanced rise of the national economies based on innovations, and their integration into the world economy.

FDI and Innovations in BRICS Countries

While rising economic prosperity and global aspirations of domestic firms have fuelled outward FDI to an extent in BRIC countries, high costs and lack of investment opportunities at home have also contributed to the surge in outbound FDI. In some cases, FDI outflow from BRICS has begun to resemble a capital flight.
