We also have a Fisher and Paykel soft touch double wall oven, circa 1991, model 763XD, serial no MUD169700, with little rubber buttons to set functions. Just lately the minute timer button came adrift, and since then occasionally, for no apparent reason it turns itself off, as if a power cut has occurred, even though we no longer try to use the timer function.

Here are three compelling reasons why: 1. Fisher Paykel offers sizes that others do not such as the 25-inch and 32-inch width paired with a 67-inch or 70-inch height. 2. The company offers an attractive price point for a modern refrigerator. 3. Fisher Paykel makes refrigerators that are a great

alternative to ultra-premium, built-in fridge brands.
