Introduction This machine is intended to be used by residential homeowners. It is designed primarily for removing snow from paved surfaces, such as driveways and sidewalks, and other surfaces for traffic on residential or commercial properties. It is not designed for removing materials other than snow.

Interactive Manual - Toro

The Toro SnowMaster 824 QXE (#36003) is a near carbon copy of the popular Toro SnowMaster 724 QXE. Same features, same build, but with a more powerful engine. This hybrid single-stage gas snow blower has the power of a two-stage machine but is also lightweight and priced lower. It is one of the best single-stage blowers on the market.
