Harvest for Hope: A Guide to Mindful Eating: Goodall, Jane ...

World-renowned scientist and conservationist Jane Goodall earned her fame by studying chimpanzee feeding habits. But in Harvest for Hope, she scrutinizes human eating behaviors, and the colossal food industries that force-feed some cultures' self-destructive habits for mass consumption. It's an unsustainable lifestyle that Goodall argues must change immediately, beginning--not ironically--at a grassroots level.

Harvest for Hope Quotes Showing 1-3 of 3 "Michael Pollan likens consumer choices to pulling single threads out of a garment. We pull a thread from the garment when we refuse to purchase eggs or meat from birds who were raised in confinement, whose beaks were clipped so they could never once taste their natural diet of worms and insects.

Harvest for Hope Quotes by Jane Goodall - Goodreads

Harvest for Hope, Jane Goodall presents an empowering and far-reaching vision for social and environmental transformation through the way we produce and consume the foods we eat. In clear, well-organized chapters that include "The Organic Boom" and "Thinking Globally, Eating Locally", readers will discover the dangers behind many of today's foods, along with the extraordinary individual and worldwide benefits of eating locally grown, organic produce.
