The Manual : What Women Want and How to Give It to Them by ...

W. Anton created this manual as a guide to getting girls and understanding women. It helps men to develop a natural ability to be good with women by understanding what they are attracted to, and a focus on natural attraction. It also explains why men think women are attracted to things such as money and why women “play hard to get”.

I need `The Manual: What women want` By W Anton - reddit

The approach you'll learn in The Manual is very different from conventional dating and the advice you find in the mainstream media because it focuses on natural attraction – on what women REALLY want – not what they CLAIM they want or what males in general BELIEVE women want. It incorporates men's and women's socialization and explains phenomena such as why men think women are attracted to things such as money (yet money is a man-made invention that has not even EXISTED very long ...
