### Modernity And National Identity In

Virtually every recent discussion of nationalism has begun by emphasizing that the resurgence of nationalism was not predicted by theorists of modernization. National identities were supposed to fade in importance, replaced either by a supra-national cosmopolitan identity, or by a post-national civic or constitutional identity.

*Future States: Modernity and national identity in popular magazines, 1890-1945*. In the early decades of the twentieth century, ideals of technological modernity and American consumerism had a normative influence on cultures across the globe: magazines in Europe, the US, Latin America, and Asia, inflected a shared internationalism and technological optimism.

### Future States - Modernity and national identity in popular ...

The republican history of the tri-city complex of Wuhan illustrates well the tension between the themes of modernity and national identity that frame this volume. Although the tri-city was largely unplanned as a whole, it included an economic center in the bustling port of Hankou, which pursued economic and cultural modernity through commerce and became a railroad terminus early in the century.

### Remaking the Chinese City: Modernity and National Identity ...

Previously, during the pre-modern era, the idea of human freedom was tied to the rule of monarchy. However, the traditional elites realized the necessity of directly incorporating the masses into an idea of national identity in a secular democratic age.

A brief post covering the relationship between self and society in late-modernity according to Anthony Giddens, covering concepts such as Globalisation, abstract systems, ontological security, manufactured risks, narcissism and fundamentalism. This is very much my own reading of Giddens' text - *Modernity and Self-Identity: Self and Society in the Late Modern Age*.

### Giddens' Modernity and Self Identity - in 14 bullet points ...

National identity is a person's identity or sense of belonging to one state or to one nation. It is the sense of "a nation as a cohesive whole, as represented by distinctive traditions, culture, and language." National identity may refer to the subjective feeling one shares with a group of people about a nation, regardless of one's legal citizenship status.

### National Identity - Wikipedia

The very desire for modernity led to the construction of a visible and accessible national past and the imagining of a distinctive national future. In their investigation of the national capitals of the period, the essays show how cities were reshaped to represent and serve the nation.
