### On Becoming a Person: A Therapist's View of Psychotherapy ...

The late Carl Rogers, founder of the humanistic psychology movement, revolutionized psychotherapy with his concept of "client-centered therapy." His influence has spanned decades, but that influence has become so much a part of mainstream psychology that the ingenious nature of his work has almost been forgotten. A new introduction by Peter Kramer sheds light on the significance of Dr. Rogers ...

"I believe it will have become evident why, for me, adjectives such as happy, contented, blissful, enjoyable, do not seem quite appropriate to any general description of this process I have called the good life, even though the person in this process would experience each one of these at the appropriate times.

### On Becoming a Person Quotes by Carl R. Rogers

Helping others may seem like an obvious route to becoming a better person. We often think of "good people" as those who are willing to sacrifice for others. This, in the minds of many, is what makes a person "good." However, good deeds can also make us better people because of the connection between altruism and emotional well-being.
