The impact of globalization on tourism - UKEssays.com

African communalism refers to the traditional way rural areas of Africa have been functioning in the past. In Africa, society existed for decades without formal hierarchies, with equal access to land and river for all, in a way that resembles forms of egalitarianism and socialism. Some elements of this way of life, persist till present days.

African communalism - Wikipedia

Taking as its premise the belief that communalism is not a resurgence of tradition but is instead an inherently modern phenomenon, as well as a product of the fundamental agencies and ideas of modernity, and that globalization is neither a unique nor unprecedented process, this book addresses the question of whether globalization has amplified or muted processes of communalism.
