SCAR Open Science Conference

The SCAR Open Science Conference theme “Antarctic Science – Global Connections” recognises the significance of the scientific connections between Antarctica and the global system.

Scar 2020 - COMNAP

9 th Open Science Conference The physical 2020 conference and meetings have been cancelled due to the COVID-19 pandemic. XXXVI SCAR was scheduled to be held in Hobart, Tasmania, Australia from 31 July to 11 August 2020

SCAR Open Science Conferences

A joint SCAR History, Humanities and Social Sciences conference was held at the University of Tasmania (Hobart) in July 2017, attracting over 100 delegates from all over the world. A short video created during the event is available below:

Conferences & Meetings

SCAR’s Open Science Conferences have been a focal point for the Antarctic research community for over fifteen years. Through SCAR 2020 Online we are excited to present many of the highlights of the science we had originally planned to bring to you at the Hobart OSC, which was sadly cancelled due to the COVID-19 pandemic.
