The atlas, or C1 vertebra, is the top bone in the spine. It plays a number of key roles in the body, meaning that even the trinitities of misalignments can have negative effects on the central nervous system (CNS) and other vital body functions. We're going to take a closer look at the role the atlas plays. Then we will discuss a subspecialty in the chiropractic field called upper cervical, so you can learn more about what atlas treatment chiropractors do and the benefits that can be derived ...
