The Law Of Merger Control

The new law creates a National Competition Commission ("NCC") and significantly changes Vietnam's merger control regime. As of February 2020, the NCC has not issued most of the necessary implementing decrees, leading to much uncertainty about how it will apply the law in practice. Key merger control changes include: Expanded jurisdictional criteria. The law expands the notification threshold to include the assets and revenue of the parties involved, as well as the value of the transaction.
