Constitutional reform is the means by which changes are made to the way that the UK is governed. It can include devolution, reform to the House of Lords and changes to the way the judiciary works. Conservatives, as their name suggests, are less likely to make constitutional reform as they traditionally feel that institutions are there because they work and shouldn't be 'fixed' unless they are broken.

UK Constitutional Reform | Politics | tutor2u

Constitutional reform processes within a particular country are often about responding to broad challenges of peace building, reconciliation, inclusion and socio-economic development in a way that is seen as legitimate and is widely accepted. As the demands placed on constitutions have increased, they have become complex and lengthy, and hence more challenging to design and implement.

Constitutional reform | Politics | The Guardian

The practice of constitutional reform as it is observed in this publication demon- strates broad acceptance of the importance of constitutional principles in temper- ing the political interests that will unavoidably shape these reforms in different contexts. This is a move away from practice to principles.

Constitutional Reform Processes and Political Parties

Since mid-July, student-led anti-government protests have been taking place all over the country, with activists calling for constitutional reform, as well as the dissolution of parliament and fresh elections. Government opposition parties have already submitted their motion to amend the constitution.

Thai Government puts wheels in motion for constitutional ...

After the 2013 general election, constitutional reform remained a prominent political topic. However, the first real breakthrough occurred when Matteo Renzi, the new Secretary of the Democratic Party, was appointed Prime Minister in February 2014. As part of his government's program, Renzi pledged to implement a number of reforms, including the abolition of the perfectly symmetric bicameralism, with a substantial decrease in the membership and power of the Senate.
