Two Little Girls in Blue is totally fiction. It evolved from all my research on the almost mystical bond between some identical twins, as well as our partnership with HMHB. How did you view the idea of twin telepathy before you wrote this novel and how did it change throughout your writing process?

Two Little Girls in Blue by Mary Higgins Clark

TWO LITTLE GIRLS IN BLUE is an edge of your seat page-turner. The well thought out plot moves the story along at break neck speed. The suspense is terrifyingly genuine and being a mother, I felt every ounce of Margaret's pain at discovering her daughters gone.
