Long story short, hoping someone has a service manual for the Advantage Plus insert that they can share with me? Thanks in advance! Guessing it's very much worth it to replace parts and fix this Whitfield, rather than dropping \$3-4K on a new Harman P35i (LOVE the rail system). Working on the insert is a giant PITA.

Advantage II-T C H0365K & H0366 - Parts For

There is the obvious exhaust that I am running through the chimney, but the Castle manual says a second exhaust is recommended for efficiency. What type of pipe/hose do I need for this?? It appears to just be more of an air intake rather than an exhaust. When I look at the kits, the flex hose appears to be dryer venting. Thanks again!!
